The National Council of Textile Organizations is a unique association representing the entire spectrum of the textile sector. From fibers to finished products, from machinery manufacturers to power suppliers, NCTO is the voice of the U.S. textile industry.

NCTO's mission is focused on creating powerful alliances and coalitions to advance the interests of the U.S. textile sector. As an organization, it is unrivaled in its composition which allows each segment of the industry to have a vote in determining NCTO policy.

Information in this directory is based on a survey of the membership of NCTO. While it is not a complete list of all textile product suppliers in the U.S., it does represent the product lines of most producers. NCTO does not endorse any items in this directory nor does it guarantee the accuracy of any information herein contained since textile companies are free to alter their product lines without notice based on market conditions and other factors.

El Consejo Nacional de Organizaciones Textiles es una asociación única representando el espectro completo del sector textil. Desde fibras hasta productos terminados, desde fabricantes de maquinaria hasta proveedores de electricidad, NCTO (por sus siglas en inglés) es la voz de la industria textil en los Estados Unidos.

La misión de NCTO está enfocada en crear alianzas poderosas y coaliciones para promover los intereses del sector textil en Estados Unidos. Como organización, es incomparable en su composición lo que permite a cada segmento de la industria tener un voto en el momento de determinar las políticas de NCTO.

La información en este directorio está basada en una encuesta de la membresía de NCTO. Aunque no es una lista completa de todos los proveedores textiles de Estados Unidos, si representa las líneas de productos de la mayoría de los productores. NCTO no endorsa ningún artículo en este directorio ni tampoco garantiza la veracidad de cualquier información aquí detallada ya que las compañías textiles son libres de alterar sus líneas de productos sin notificación previa basado en las condiciones del mercado y otros factores.
