

BIS Footwear Webinar Materials and Recording

November 2, 2017

The U.S. Department of Commerce's Bureau of Industry and Security discussed the preliminary results pertaining to footwear as part of the agency's first comprehensive study of the U.S. textile, apparel and footwear manufacturing base since 2003 in a webinar jointly hosted by the American Apparel & Footwear Association and the National Council of Textile Organizations on November 2. The study's full final report is expected to be released in the coming weeks.

Interested parties may download a [PDF version](#) of BIS's footwear PowerPoint presentation or a [recording of the webinar](#) itself which also includes audio commentary. Please note the ability to download the webinar recording expires on November 9.
