Reifenhäuser Reicofil GmbH. & Co. KG		Germany	Markus Mueller	Sales Director - Member of the Board	Markus.Mueller@Reifenhauser.com;	-9-6293	We all should beware of materials that very soon will swap from China into the western world, all being cheaply produced scrap, not fulfilling the medical codes required and which will bring people into live threatening situations! We should rather rely on known sources that fulfill international standards for medical products, especially filtration grades in face masks.	We as Reifenhäuser Reicofil, a German plant and machine manufacturer, are the leading global provider of complete spunbond, melt-blown, and composite lines which produce all the above ticked products! The company has been in business successfully for over 30 years and has installed more than 260 production lines worldwide. It is a member of the family-owned Reifenhäuser Group which specializes in plants and components for plastics extrusion and has a work force of 1600 employees.
