LuMatt Enterprises, LLC DBA New Wave Products	California	USA	Lewis Matthews	Owner/In ventor/Su pplier	Newwavexp@outlook.com;	678-524-2436	Although, we're a startup company the owner has years of experience as a Finder putting together deals when no one else can. We could have your request for products fulfilled in a timely fashion as we currently have \$5 million financing from the second largest purchase order company in the United States. Thank you for this opportunity! thank you for your time, please stay safe! Truly look forward to doing business and helping our vast community in this time of great need... I would love to be an advocate to assist you in the near future! Have the rest of a super great day	I'm a big box supplier which have manufacturers in China and a personal relationship with the owner of a textile manufacturer in Pakistan who makes products for billion dollar corporations here in the US-All will provide whatever products you may need provided the C virus will not hold up orders. I've been in touch with my manufactures regarding other requested medical items, like foldable Crutches, foldable canes with SOS alarms and flashlight- I'm ordering now for a Doctor who'd like 150 foldable walking canes. Most of them are back to work now, so I strongly believe we can fill any order at your convenience for the requested quantities.

Reifenhäuser Reicofil GmbH. & Co. KG		Germany	Markus Mueller	Sales Director - Member of the Board	Markus.Mueller@Reifenhauser.com;	-9-6293	We all should beware of materials that very soon will swap from China into the western world, all being cheaply produced scrap, not fulfilling the medical codes required and which will bring people into live threatening situations! We should rather rely on known sources that fulfill international standards for medical products, especially filtration grades in face masks.	We as Reifenhäuser Reicofil, a German plant and machine manufacturer, are the leading global provider of complete spunbond, melt-blown, and composite lines which produce all the above ticked products! The company has been in business successfully for over 30 years and has installed more than 260 production lines worldwide. It is a member of the family-owned Reifenhäuser Group which specializes in plants and components for plastics extrusion and has a work force of 1600 employees.
