Cooley Group	Rhode Island	USA	David G Lunati	Executive Vice President	lunatid@cooleygroup.com;	401-721-6261	For additional information on Cooley, our capabilities, products, and/or markets served, please visit our website: www.cooleygroup.com We remain at your service in this time of need. Thanks.	X		X	X		Cooley is an extrusion manufacturer of polymer coated fabrics and protective covering materials and has the capability to produce PVC, TPU, TPO, PP, PE, PVDF based specialty medical fabrics for applications such as blood pressure cuffs, medical mattress covers, body bags, portable medical structures, tents, stretcher covers, etc. We possess and can develop innovative solutions for products that require complex flexible composites with unique chemical, mechanical, physical, and performance properties. Cooley also currently manufactures Berry-Amendment Compliant flexible fuel and potable water bladders and pillow tanks as well as inflatable boats that meet stringent mil spec requirements. Our solutions are highly durable, impermeable, fire retardant, weldable, printable and in the case of specialty medical fabrics - incinerable - therefore allowing for an easier and less expensive means of disposal of contaminated waste. Custom colors are also available for easy visual reference and identification. Cooley operates two manufacturing facilities with the capabilities to make the above products - one in Pawtucket, RI the other in Lancaster, SC.
