PACKAGING SYSTEMS INC	Indiana	USA	Joe Wycech	President / Owner	acejsw5@att.net;	810-444-6913	We are down now and we need the work. Anything to save American Lives!!!						We are not a current supplier. But we could make green, disposable mattress pad which one would throw away and incinerate. the pad could be in various thicknesses 1/8 to 1 1/2 inch thick with a an impermeable film on one side to contain body fluids.	See above, we are a green foam packaging supplier that designs and creates green, disposable packaging for manufactured goods. We could easily make disposable mattress pads that are cushioning and absorbing. The greenfoam would b 1/8 to 2 inches thick and would absorb body fluids. The foam pad would have a plastic layer on one side to provide a fluid barrier. The soaked pads could be thrown away in a leak proof container (waxed lined corrugated box) and then placed in a landfill or incinerated. all materials would be FDA and EPA approved.
