We have the ability to coat up to 106" wide depending on coat weight and resin type. Our coating weights range from 0.6 mil up to 25 mils in a single pass. We can achieve a higher coat weight application utilizing multiple passes. We have and still do both extrusion coating and extrusion lamination of various plastic films including PE, PP and PET.			X	X	extrusion coat as well as extrusion laminate on two lines here in our Dothan, AL facility.	
SLO Sail and Canvas	California	USA	Kody Paup		slosailandcanvas@yahoo.com	559-760-5072	SLO Sail and Canvas is a manufacturer of textile products. We're located in San Luis Obispo, CA. We received an email from IFAI this morning reaching out to companies for help producing textile goods to help support the country during the COVID-19 outbreak. Our company has sewing experience in clean room applications, Berry Compliant projects, and have been designated as part of the Defense Industrial Base by the Undersecretary of Defense. We're interested in doing our part during the COVID-19 outbreak. Sewing things like medical curtains and sleeping pads would be well within our capabilities.						
Cross Link, Inc.			Rick Horrigan		rickhorrigan@outlook.com	1-828-657-4477	Preferred Finishing is able to manufacture coated and laminated barrier fabrics and fabric laminations. We also have industry contacts available to cut & sew fabrics into protective garments or medical drapes. We need a supply channel to get the protective garments and medical drapes to the end users. We can process up to 50,000 Linear yards of fabric per day depending on the coating or lamination required. We currently have very large inventories of bleached and scoured cotton fabrics, non-woven fabrics, and films. We have access to a larger supply of these substrates. We also have the ability to digitally print wide width fabrics. CrossLink is a chemical and polymer blending company. We have industrial size chemical mixing, blending and packaging capabilities. We can blend and package drum quantities up to tank truck size quantities of chemicals needed including coatings, sanitizers and disinfectants. We have suppliers able to provide a wide range of chemical raw materials.			X	X
